Operational/CART/CARAVEL

German Police Advisor for Afghanistan

REFERENCE - EGNA-10647 *same subj, cf p. 1056 (CC)*

At the last meeting with CARAVEL on 22 December, I casually mentioned Major AHMED to him again, indicating I assumed he has returned to Afghanistan by now. CARAVEL said not at all, he was expected in January for a two-month stay with CARAVEL's organization, during which time he would have occasion to get much better acquainted with him. This is certainly a break if there is any desire to take the plan outlined in EGNA-9061 out of mothballs again. We suggest that this time be used to try and clarify what is desired in this direction so we will not lose this opportunity.
